CHOOSE FROM OUR SUITE OF COURSES OR CREATE A BESPOKE PACKAGE TO SUIT YOUR NEEDS

At Shackleton solutions we only use qualified and registered paramedics to deliver our training courses. As healthcare professionals we know how important effective first aid can be in making a difference to the outcome of emergency situations. Unfortunately a huge number of people die each year because many people don't know what to do. Just knowing the basics can make all the difference. Our aim is to give you the knowledge to manage a variety of situations and the confidence to make a difference.

WHY CHOOSE US?

Shackleton Solutions Ltd provide accredited first aid courses, delivered by professionals with a high level of experience in the emergency services. All our training courses can be delivered at your premises onsite or offsite. Our courses can be tailored to meet the needs of your organisation.
